DIVISION OF BIOMEDICAL AND ENVIRONMENTAL RESEARCH, HEADQUARTERS -
REQUEST TO LOCATE MR. _____ (21-2-354)

At a meeting in your office on May 9, 1974, in connection with the DBER-INS joint investigation concerning the disclosure to patients regarding the injection of plutonium in 1945-1947, you asked that the Division of Inspection try to locate the two patients who had been lost to followup.

We transmitted two copies of a Memorandum Report on July 15, 1974, on one of them, Mr. _____ Attached are two copies of a Memorandum Report of the Division of Inspection which set forth our findings with regard to the second, Mr. _____

We will forward you information regarding a third patient who has come to our attention as also requiring followup.

A handwritten signature in cursive script, appearing to read "Jon D. Anderson".
